Ms. Tucker,

This letter addresses your Freedom Of Information Act (FOIA) request for records. Your FOIA request was assigned the FOIA control number DLA-HQ-2019-003163. Enclosed are the Responsive Records we have in response to your request which are released in part pursuant to 5 U.S.C. § 552(b)(4) and 5 U.S.C. § 552(b)(5).

Following consultation with Defense Logistics Agency (DLA) Office of General Counsel, DLA has determined that the Exceptions listed under the FOIA support redaction of identified elements of data or information on the Responsive Records. The Responsive Records for your request are released as a "Partial Denial/Partial Grant" set of records.

Due to changes in the DoD FOIA Regulation (32 CFR Part 286, January 5, 2017) and following consultation with DLA Office of General Counsel, DLA has determined that releasing both the Commercial And Government Entity (CAGE) code and the unit price bid of losing bidders would likely constitute release of commercial proprietary information.

As economic theory more strongly supports the value to the market of release of unit price bid vice the CAGE code, DLA has determined that the CAGE code of losing bidders must be withheld in accordance with Exemption 4 of the FOIA, 5 U.S.C. § 552(b)(4). Pursuant to Exemption 4, certain non-government financial information is exempt from disclosure.

Exemption 4 protects: trade secrets; or information that is commercial or financial, obtained from a person or entity outside of the U.S. Government, and privileged or confidential.

Internal control numbers associated with funding citations as well as pricing logic elements are withheld under Exemption 5 of the FOIA, 5 U.S.C. § 552(b)(5), which protects internal deliberative records and records the release of which would likely place the government at a competitive disadvantage in the procurement process.

This agency decision concludes the processing of your request(s) referred to above.

You have the right to dispute or appeal this partial denial. You have the right to seek dispute resolution services from either the Office of Government Information Services (OGIS) or DLA FOIA Public Liaison. As part of the 2007 FOIA amendments, the OGIS was created to offer mediation services.

Similarly, as part of the FOIA Improvement Act of 2016, DLA established a FOIA Public Liaison to offer mediation services. Both OGIS and the DLA Public Liaison will assist in resolving disputes

between FOIA requesters and DLA as a non-exclusive alternative to an appeal. Using OGIS or the DLA FOIA Public Liaison for mediation services does not affect your right to pursue an appeal nor does it stay the appeal clock. You may contact OGIS or the DLA Public Liaison in either of the following ways:

The processing fee for your completed FOIA request is now due; see the enclosed Invoice. For greater efficiency processing payments, DLA no longer accepts check or money order payments for FOIAonline requests for the Abstract of an awarded contract. Please make your payment to the Defense Logistics Agency via Pay.gov (<https://www.pay.gov/public/home>), please visit the web-site to review available payment options. For your convenience we have attached a step-by-step guide from the Pay.gov web-site for making a payment to DLA for a FOIA request using the Pay-gov web-site.

Request that each payment include the full FOIA control number (identified above) for identification purposes. The Pay.gov web-site will send a payment confirmation message to the e-mail address you provide. Please keep a copy of this message for your records and forward a copy of the payment confirmation message to [Foia\\_payment@dla.mil](mailto:Foia_payment@dla.mil) to update your payment status.
